

Paper drilling machine

Model 207-00/10
up to 15 drilling spindles

Description

The machine series 207-00/10 comes with new operator-friendly features to reduce set-up time:

- All standard hole patterns can be set quickly and precisely due to **exchangeable notched bars** and drilling heads with **snap in pins**.
- Increased drilling capacity range from \varnothing 3mm to \varnothing 14mm.
- Center distance 36 - 460mm (36 - 700mm with model 207-10).
- with large throat depth: 280mm.
- Quick-action chuck for drill bits with standard screw.
- Variable drill rotation speed.
- Variable table lift speed.
- Fast return stroke.
- Jogging run to set the machine.
- Machine on wheels for easy flexibility.
- Back and side stops with position indicators (0.1mm definition).
- Back and side stops adjust exactly with "zero gap". Bottom sheets cannot slip underneath the stops.
- Drilling heads easily exchangeable by tangential chain drive.
- Constant drill feed rate by cam drive.

As one of the global leading manufacturer of fastening technique and paper drilling equipment **Hang** is offering proven riveting solutions and paper drilling machines. **Hang** is a worldwide name for extremely powerful and progressive fastening technology - for over 100 years.

Print Finishing Partners is the exclusive agent for **Hang** in North America.

Options

- Manually stroking indexing drilling matrix (paper board), 300m long, protects drill bits and assures a clean cut of the bottom sheets.
- Automatic lubrication and cooling system. The silicone based spray does not show residues on the paper and does not drip.
- Drill capacity range from 3 - 20mm, center distance 50 - 430mm.
- Adjusting range of the drilling spindles extended to 700mm.
- Table enlargement.

Optional 3-way drilling head with cooling and spraying device

Zero-slot stops

Model	207-00	207-10
Number of drilling heads (units)	2 to 10	4 to 15
Drill diameter (mm)	3 to 14	3 to 14
Adjustable drill offset (mm)	36 - 460	36 - 700
Maximum stack height (mm)	65	65
Insert depth (edge distance mm)	6 - 280	6 - 280
Table size (mm)	630 x 635	710 x 882
Working height (mm)	950	950
Net weight (kg)	980	980
Sliding table	optinal	-
Drilling heads 50mm wide for drill bit diameters up to 20mm	optional	optional

Side stop with digital display

Additional Hang items

- Drill heads
- Delivery conveyor
- Drill bit sharpener
- Cardboard reels
